Dear parents and carers,

Re: Aylesbury High School Challenge Event Trip

On Monday 3rd July, a small group of Year 5 pupils visited Aylesbury High School to take part in Maths and English challenges. The children were brilliant representatives of our school and showed our school values throughout the events. The Maths group came in second place in their quizzes and the English group successfully identified the correct suspect in their murder mystery game.

It was fantastic to hear the sixth form pupils who were running the event comment on how enthusiastic the children were and how well they persevered with the challenging activities.

Kind regards,

Miss Wainwright and Mrs Cleaver

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
