Dear Parents and Carers,

RE: Action - ‘The Big Ambition’ Survey from the Children’s Commissioner for England

I am writing on behalf of the Children's Commissioner for England to invite your child/children to participate in a vital survey that directly impacts the well-being of children and young people in Aylesbury.

The survey, conducted by the Children's Commissioner, has already received an overwhelming response from over 300,000 children, young people, parents, and carers. This makes it one of the largest surveys of its kind, demonstrating the collective power of community in shaping policies that affect our children's future.

Your input is crucial in ensuring that the voices of Aylesbury's children and families are fully represented. This is an opportunity to share views, experiences, and aspirations of our children with policymakers ahead of the upcoming General Election.

To complete the survey, visit www.childrenscommissioner.gov.uk/thebigambition. Insights from the survey will contribute to a more comprehensive understanding of the challenges and opportunities faced by our children.

Kind regards

Mr Liddle
