### WHAT CAN WE HELP WITH?

Our role is to work in partnership with families to ensure children have the best possible chance to make full use of the educational opportunities in school. We can offer support on a range of issues which might affect you and your children and can also sign post parents to other services outside of the school which may be of help. We can offer a listening ear and if you have concerns that need to be addressed, we can make sure that any information is shared and dealt with confidentially for the benefit of your child. We can offer advice and support with; behaviour difficulties, school refusal, bereavement, advice in financial difficulties, advice on housing, anxieties, worries, safeguarding concerns and much more.

## FLO Coffee Mornings

Each Half term we host a coffee morning. This provides parents and carers the opportunity to meet the FLO team for an informal chat. Each morning will have topic and will give parents and cares some up to date information. Currently our coffee mornings are virtual but we are hoping to host these in the main school soon!
