

The Christmas Lunch Shop

Every year we ask for donations of goods that we can give out to people that attend our community Christmas lunch. Originally, we would split them up into boxes and give the boxes out but not everyone requires the same foods. In recent years we have set up the goods and food in a 'shop' layout and let the guests take a carrier bag and help themselves to whatever they need. This has been very successful allowing people to take exactly what they require. This year we know there is going to be an even bigger need to help our guests so we are asking for the following donations to stock our Christmas Lunch Shop!

Dried and tinned foods such as pasta, rice, tinned meat or fish, beans and soups

Christmas goodies - cakes, mince pies, biscuits, chocolates

Personal hygiene goods such as shower gel, tooth paste, antiperspirant, feminine hygiene products

Washing up liquid, washing powder and cleaning products

Dog and cat food

Any other long-life products you may think would be useful to people that maybe struggling

Anything you give is gratefully received and will be given out to those most in need in our local community - Thank You

Contact Tel: 07714 246593

The Community Christmas Lunch held each year at St Marys Church Aylesbury on 25th December
