Dear families,

**Re: Educational Visits and Clubs**

### Educational Visits

As you are aware all restrictions put in place to reduce COVID have been removed. We have already begun to organise trips and have visitors in school to enrich our curriculum. We will continue to organise trips and visitors for the rest of the school year. We will be sending out further information once the opportunities have been organised. Only those children who are able to attend school on the day will go on the educational visit.

We continue to follow Government and County COVID guidance. We have every intention of running these events and hope that the guidance will not change again. However, changes to guidance may mean that events are either changed, postponed or cancelled. We always risk assess any trip and will continue to consider if the educational visits are safe and appropriate. We will also ensure that we have spoken to providers about financial protection.

### Clubs

We have moved the majority of our clubs online during the spring term to reduce the risk of COVID infections. After Easter we will have a much wider range of face to face clubs available for pupils to attend. We will continue to offer a small number of virtual clubs as well as we know that they have been very popular.

Yours faithfully,

Mrs Skinner

Inclusion, Pastoral and Safeguarding Lead

**Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.**
