9<sup>th</sup> September 2022

Dear families,

**Re: KS2 Outdoor Improvement Works**

We are very excited to be having some major improvement work taking place to our KS2 area. Starting on Monday 19<sup>th</sup> September, we are having an all-weather surfaced trim trail installed around the field, for the children to be able to use, even when the weather is a bit miserable. In future plans, we hope to add exercise stations along the trim trail too.

In addition to the trail we are having our current astro pitch extended to twice its size. This will allow our sports teams and PE coaches to continue to utilise our outdoor space for PE and tournaments longer, and provides more space and activities at play and lunchtimes too.

The works are being carried out by Pentagon who we have worked with previously and will last until approx. 14<sup>th</sup> October and will be completely secured by fencing and monitored by staff of the school and contractor.

Should you have any questions about this work, please contact me via the school office.

Yours faithfully,

Miss Judge

Business Support Manager
