Dear parents and carers,

Re: MUSU

It has been a busy week here at William Harding with our Move Up, Stay Up taking place.

It has been lovely to see the pupils taking on the new challenges of their next year group. The chance to understand and see the new routines, classrooms and adults helps in reducing any anxieties for September.

The Reception team have been busy meeting and greeting the new parents and pupils for our September intake. The Year 7 pupils have also been challenged this week with their transition project – please see the letter titled **Year 7 – Young Enterprise Project** for more information.

Move Up, Stay Up will continue next week with new members of staff joining us to work with our pupils for further transition.

Thank you for your support in enabling us to run Move Up, Stay Up and for taking on the challenges of new routes, times and gates this side of the holiday – especially in this heat!

Best wishes,

Miss Cotchin
Head teacher
