Dear parents and carers,

RE Polite Reminder - Treatment of William Harding staff

We are writing to address an important issue that affects our school community - the treatment of our staff.

Our school prides itself on creating a positive learning environment for our children through the hard work, dedication, and care of our exceptional staff. We believe that treating our staff with respect and kindness is vital in setting a strong example for our pupils.

Recently, there have been several instances where staff members have reported feeling disrespected or unappreciated by some parents. It is essential to remember that our staff are committed to the well-being and education of our children and are doing their best to provide a high-quality learning experience.

We request that all parents and carers treat all staff at William Harding School with the respect and courtesy they deserve. By having a culture of mutual respect, we create a positive and supportive environment for both our staff and pupils.

If you have concerns or issues, we encourage you to reach out via the normal methods using the who to contact sheet, click [here](#), to ensure your concern gets dealt with by the correct person.

Let us work together to maintain the excellent reputation of William Harding School as a place where all are encouraged to aim high, work hard and be kind.

Sincerely,

The Senior Leadership Team
William Harding School

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
