Dear parents and carers,

Re: Tapestry downloads

As we are approaching the end of the year, we wanted to let you know how you can keep a copy of your child’s Learning Journal. This year, your child’s learning has been documented using the online system Tapestry that you have been able to access over the course of the year.

On Friday 14th July, you will be able to go onto the system and download a pdf version of your child’s Learning Journey that you can keep. To find it you will need to log in on the website (not the app!) and click on the top right-hand corner, on your name. A drop down will appear that says PDF downloads (this will only exist when a download is there for you to get) and from here you can download it.

Please note, that the pdfs will be deleted from this part of the website at the end of the school year, so you must download it before Friday 21st July 2023.

I hope that this will be a lovely way for you to remember your child’s time in Pre-school. Please remember that you have signed an agreement that allows you to see these pictures but only to use them for personal use – do not publish them to anything online! If your child is staying at Pre-school you can still download it and we will continue adding to it when they come back in September.

Kind regards,
Aafrin Parveen
Pre-school Leader
