Dear parents and carers,

Re: Potato harvest

I am excited to let you know that the Reception children have successfully grown and harvested their own potatoes!

We would love to give the children an opportunity to taste the potatoes that they have grown. On Tuesday 27th June, we will get the children to help us to cut and boil the potatoes and then the children will have the chance to taste a small piece of home-grown potato.

If you **DO NOT** want your child to take part in this activity, please inform your child's class teacher. Please also inform your class teacher if your child has any allergies that we need to be aware of.

Kind regards,

Miss Hubbard and the Reception team
