Dear parents and carers,

**Re: Reception National Childhood Measurement Programme 2024**

Each year in England, school children in Reception routinely have their height and weight checked at school as part of the National Childhood Measurement Programme.

The School Nursing Team will be visiting our school on **Tuesday 30<sup>th</sup> January 2024** to measure the children in Reception.

Your child will be opted in **automatically** unless you choose to opt-out of this programme by registering with the School Screener Parent Portal. Please opt-out by **Saturday 27<sup>th</sup> January** otherwise your child will be included in the screenings and will be measured. If you do not register, your child will be screened and you will not be able to see your child's results.

Please see the separate documents for details on how to register.

Kind regards,

The Reception Team
