Building water confidence for babies and toddlers

At the More Swimming Academy, we pride ourselves on delivering high quality lessons in a relaxed, fun environment with fully qualified instructors to help you every splash of the way. Let us teach your child a skill that will last them a lifetime and could save their life.

- Introduction to water
- Learn with games and songs
- Social and fun experience for both Adult and Child
- Gain confidence
- First stage to learning a life skill
- Preparing for independent swimming

For full details of all our swimming lessons for all ages and abilities please visit our swimming lesson page on our website.
