Dear parents and carers,

Re: Safe Parking and Y5 and 6 Gate

At the start of the year we wanted to thank all of those families who have been driving and parking considerately. We want to ensure that all families and residents are safe at drop off and collection times.

Please remember to ensure;

- You are not double parked
- You have left enough space for an emergency vehicle to pass
- You do not park across driveways or school pathways
- You do not park on corners
- You do not park on double yellow lines or the school markings
- You do not stop to drop off or park in front of a gate where pupils and parents are walking

Can we also thank everyone who has been considerate of pedestrians, residents and families near the Year 5 and 6 gate. We know that this is a busy area and we want to make sure that our families are not an obstruction to the safe passage along the path. Please make sure that you keep a clear path for pedestrians to use.

We are a large school and we know that it is sometimes very busy at the start and end of the day.

Thank you for your ongoing support.

Kind regards,

Mrs Skinner
