Dear parents and carers,

Re: Social Media

Thank you to all the parents who took the time to complete the parent survey on the school's use of social media. As a school, we are always looking for new ways to engage with our parents. In response to the parent survey, we will be streamlining and simplifying the way the school uses social media.

From January, all Year Group specific Twitter accounts will be closed. Moving forward, teachers will send class or year group specific information to you through Class Dojo. Anything work related will also be shared on the Class Dojo page. Staff will not reply to messages sent on Class Dojo. If you need to communicate with a staff member, please follow our who to contact sheet and contact them via the school office email.

We will share news, information and what the children are doing in school via the William Harding School Twitter account (@SchoolHarding). Please follow us to see what is happening in school.

We hope you find these changes useful. Please feel free to provide the school with feedback so we can continue to work productively with you all.

Kind regards,

Mr Thorpe
