Dear parents and carers,

Re: Year 5's Trip to The National Space Centre

This week, Year 5 had the opportunity to visit the National Space Centre in Leicester. On both days, the children were excellent representatives of our school from the moment we left school site. At the centre, they engaged with the exhibits and learnt lots about our solar system, stars, astronauts and the Space Race.

There were many interactive experiences and it was fantastic to see the children engage with these respectfully and show collaboration and kindness when they needed to work together on launching rockets!

Well done Year 5 and we hope you enjoyed this trip – the staff definitely did!

Kind regards,

Miss Wainwright, Mr McMahon, Mrs Grannum, Mrs Rowley

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
