Dear families,

Re: Year 5 Lunchtime Times Tables Rockstars Club

William Harding School are excited to continue offering a Times Tables Rockstars Club for Year 5. Mr McMahon will run the club during Friday lunchtimes. Once the children have eaten their lunch, they will be sent down to the computer room. Towards the end of lunch, the children will also have the chance to go outside. Each week, children will have the option of attending the club and are not required to attend on a regular basis unless they wish to.

Due to the number of computers, there are only 30 spaces available for the club each week and they will be allocated on a first come first serve basis when the children arrive at the computer room.

During the club, the children will have the opportunity to access the Times Tables Rockstars platform and play the various games to practise and secure their times tables. Mr McMahon will also be on hand to support children with developing their knowledge of the multiplication facts they find more challenging.

Yours faithfully,

Miss Wainwright and Mr McMahon

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
