Dear families,

Re: Updated Behaviour Policy

Each year we look at our Behaviour Policy. We reflect on the last school year and any Governmental or Buckinghamshire changes. We then adapt our policy taking these in to account. This year there were three Government policies that were updated and shared with us at the start of the summer holidays. We have incorporated those changes in our policy.

We have included our behaviour charts at the end of the policy so that you can see the consequences and actions for particular behaviours. You will see these charts on staff lanyards. We do this so that staff can easily reference them and so we have a consistent approach across the school.

Our updated Behaviour Policy can also be found on the policies page on our website.

Yours faithfully,
