Dear parents and carers,

## RE: Gentle reminder regarding respecting our neighbours

It has come to our attention that there have been instances where individuals have been walking over the front gardens of our neighbours, especially when they have been queuing for the ice cream van.

We understand that the convenience of a shortcut may sometimes seem appealing, especially during busy times such as drop-off and pick-up. However, it's important to remember that these front gardens belong to our neighbours, and it is their private property. As such, it is essential that we respect their space and refrain from walking across their gardens.

Thank you for your continued support.

Kind regards
