Dear parents and families,

Re: Arrival of Ukrainian refugees

The Local Authority has informed us that they have been advised by central government that the arrival of Ukrainian refugees across the country is expected over the next few weeks. The Local Authority are aware that the people of Buckinghamshire will be generous in taking these families in and keeping them safe in our community.

Local Authority has advised that the refugee population is overwhelmingly made up of women and children, and in order for them to feel safe and valued in this country, a school place will be a key element in their support.

I am sure you are aware, it is important that we all do our best to support these victims of war and welcome them into our school communities with empathy and compassion.

Yours faithfully,

Miss Cotchin
Head teacher
