Dear parents and carers,

**Re: Come and Read - Thank you**

We are writing to express our thanks to those of you who came to our recent Come and Read session. Your support made the occasion even more special, and we wanted to take a moment to say thank you. Seeing you engaged and involved in your child's education is truly heartwarming. Your commitment to fostering a love for reading in your child is evident, and it positively impacts their academic journey.

Events like Come and Read are invaluable opportunities for us to strengthen the partnership between home and school.

Your participation not only enhances the learning experience for your child but also contributes to the sense of community within our school. It is through collaborative efforts that helps us create a school where students feel supported to aim high, work hard and be kind.

We hope you enjoyed the time spent reading with your child and exploring the wonders of books together.

Once again, thank you for making Come and Read a success. Your commitment to your child's education is truly commendable, and we look forward to more opportunities to collaborate in the future.

Thanks to all those parents/carers that emailed in positive comments in about the sessions - it means a great deal to all the staff.

Thank you for your continued support.

Kind regards

The Senior Leadership Team  
William Harding School
