Dear parents and carers,

Re: Dates for 2023-24

We know that it is very useful for parents to have the dates for events well in advance in order to make arrangements to attend. Below are the provisional dates for events for 2023-2024. These are the planned dates at this time but these could change as we move through the year. We will ensure parents have the confirmed dates for events closer to them within a letter that will be sent out.

During the year other dates may be added to the list such as trips.

All dates can also be found on the whole school calendar on our website, please click on the link below to access it
