Dear Families,

Ellen White Mural

As many of you will have spotted our amazing Ellen White mural was completed last term and we are really proud of it. It can be found on the wall as you look towards the main building from Juniors. We have now received details of the video that accompanies the mural that have gone live from Xbox. Please do take a look at the Ellen video and also the others that have been produced across the country too.

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.

MURAL PRESS STATEMENT

Xbox exists to 'Power Your Dreams' and now the gaming brand has created six murals around England representing this. Each mural celebrates a player from the Men's and Women's England teams and the heroes around them who helped make their dream a reality. The campaign features Jude Bellingham, Conor Coady, Tyrone Mings, Demi Stokes, Ella Toone, and Ellen White.

The murals have been painted in places that were important in the players' career journeys from a dream to an England cap. Each one has been painted by a local artist to help the players say thank you to their communities.

Xbox has partnered with the FA to sponsor the England Football teams and this partnership celebrates everyone who helps make your dreams a reality whether you're a footballer or a gamer.

A content series about the England players and eLions gamers will be coming soon along with a digital mural celebrating the eLions, England's football gaming players.
