Dear parents and carers,

**Re: Fund raising**

As I'm sure you are aware school funding is being impacted by a range of rising costs, including energy costs.

We still want to be able to provide high quality education and experiences for our pupils. In the past we have used PTA money to buy library books, buy football kits, contribute to the leavers' events, buy pastoral resources. As we do not have a PTA, we have set up an organisation within the school to raise funds. The organisation is PAWHS (Pals At William Harding School) and PAWHS is organising a number of events across the year. We want to try to provide some of the events that a PTA would run such as discos and movie nights.

We know that families are also feeling the impact of prices rises too. We have found a way for anyone to help raise funds for the school without a cost to parents. We have signed up to smile.amazon as a charity. The site provides the same items, at the same cost, with the same service as Amazon but they will donate 0.5% of the price of your eligible purchases to the charity of your choice, it does not cost you anything. The link to the site is below.

If you are planning on buying anything on Amazon please buy through smile.amazon and donate the 0.5% to us. Please tell friends or family members too – anyone can donate to us.

We thank you for your support

Kind regards,

Mrs Skinner
