Dear parents and carers,

**Re Help for families**

We have recently been contacted by the charity Citizens Advice Bucks who have asked us to share with you their latest edition of their information guide to help families struggling with the cost-of-living crisis.

Just click here: [Cost of Living Help for Families](#) for information about food, energy, housing and more.

The charity is also running a FREE course designed to help you manage personal finances with lots of helpful tips and advice. The course is online or via in person workshops. You can find out more information about these or sign up for the online course by clicking here: [Money Matters Course](#)

Kind regards

The Family Liaison Officers
