Dear parents / carers,

Sports day 2024 – Celebrating our school values and sporting excellence

After the success of last year’s sports day and the positive feedback, we are excited to run sports day in a similar way this year. We are very excited to be able to deliver Sports Day and to welcome families into school to enjoy the event. This year's Sports Days focuses on our school values of Respect, Honesty, Collaboration, Inclusion, Perseverance and Responsibility. We look forward to seeing our pupils displaying these values during the event with the chance to win extra points for their house by displaying these values.

Each sports day will consist of a variety of carousel activities so that all pupils can take part. Children will compete within their classes to score points for their house. The second part of sports day will be some more traditional competitive races/events. In the weeks before sports day, heats will happen during PE lessons and the winners of those heats will take part in the competitive events on sports day.

Entry:

We ask that parents line up outside the year 5/6 gates to come in once their children have been dropped off (this will be signposted on the day). Please check the allocated gate entry time for each year group times above, to avoid any confusion. Staff will be on hand to direct you. You will make your way out to the field to the designated spectator area.

Children will need to come into school wearing their PE kit and ALL jewellery needs to be removed before coming into school. We are hoping for warm weather so please make sure your child has a water bottle and sun hat (sun cream must be applied before coming into school) and any medications they may require e.g. inhaler for asthma.

Safeguarding

As stated in our Mobile Phone Policy, photography will not be permitted during this event, this includes photos or videos being taken on mobile phones. Mobile phones cannot be used on site and so we ask that all phones remain in bags or pockets. Staff will ask for phones to be put away if seen for the safeguarding of all pupils.

During all events we ask that parents remain in the spectator area. We ask that parents do not enter the activity areas to speak to their children or go over to playgrounds when other pupils come out at breaktimes.

We look forward to welcoming you to this event and hope for some nice warm, dry weather.

Kind regards,

William Harding PE and Sports Team

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
