Dear parents and carers,

**RE - William Harding Mission, Vision & Values**

Our school's Vision, Values and Mission are the guiding principles that shape all we do at William Harding and, as you will be aware, we recently invited all stakeholders - Parents/Carers, Pupils, Staff and Governors - to give feedback.

The Senior Leadership Team received all the feedback and have updated our Vision, Values & Mission to read as follows;

**Vision**

Our school motto is;

*Aim high... Work hard... Be kind...*

Aim high... high expectations and challenge in all areas of life to be successful

Work hard... having a good attitude to work hard every day

Be kind... being kind and respectful to ourselves, pets, the environment and others

**Values**

The School Values are taught through every aspect of our enriched Curriculum and help to make our pupils ready for their next stage of education and life. Our School Values are;

*Inclusion, Respect, Responsibility, Perseverance, Honesty and Collaboration*

**Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.**

## Mission

To support pupils to be happy and successful with a sense of community;

- support every pupil to be the best they can be
- high expectations of all
- interesting teaching and learning
- pupils behaving responsibly and respectfully
- living our school motto and values
- having an enriched, inclusive curriculum and learning environment
- develop pupils' character

We would like to take this opportunity to say a big thank you to all of our stakeholders that took the time to provide feedback and help us ensure that our Vision, Values & Mission ensure that we all 'Aim high... Work hard... Be kind...'

Kind regards

The Senior Leadership Team  
William Harding School
