Dear parents and carers,

## New Boiler System in KS2

Starting on Monday 24<sup>th</sup> April, we are having a new boiler and heating system installed in the KS2 building. As you know we have had numerous issues which will now be resolved in plenty of time before next Winter. The project will not affect any classroom activity, as any internal works will take place during half term. The works are expected to last 6-8 weeks in total.

I'm sure you will agree this is fantastic news for the school.

Kind regards,

Miss Judge
