Dear parents and carers,

Re: Open Classrooms

Welcome back, we hope you all had a fantastic half term break.

Last half term we held our first open classrooms for this school year. We wanted to thank all of the families who came. We estimate that at least 500 pupils were able to share their work with their families. Open classrooms is always a well-attended event and we love being able to share the hard work the children have done with you. We know the children are keen to share their work and are proud of their achievements.

From the comments from parents on the day, we know that you all love being able to come in and share the work with your children. Lots of parents commented about the significant quantity, high quality and challenge of the work that they saw in the books.

We look forward to seeing you again at our upcoming parent evenings and future open classrooms. You can find details of our events for this half term on our letters page of the website [Parent events letter](#).

Kind regards,

Mrs Skinner
