Dear Parents/Carers,

Re: How to support your children at home – Information Events

Teachers are often asked by parents how they can support their children at home so that they are using the same strategies and methods taught in school. We will be holding information events for the different key stages to give parents a better understanding of how to support their children with their homework and home learning. The presentations will focus mainly on English and maths skills but there will be the opportunity to ask about other areas of the curriculum too.

The events will be run by the Year Leaders and Assistant Headteachers and will all take place in the main hall at **5pm** on the following dates:

Monday 10th October - Years 5 & 6

Tuesday 11th October - Years 3 & 4

Tuesday 18th October - Years 1 & 2

Tuesday 1st November – EYFS (including pre-school)

We look forward to seeing many of you there.

Kind regards,

Miss Hubbard, Mrs Sharp, Mrs Fulford-Foy and Mr Stallwood

Assistant Headteachers
