Head Teacher: Miss T Cotchin BA(Hons) PGCE NPQH

21 September 2023

Dear parents and carers,

Re: William Harding Pilot school

As a school we have been working with PiXL for five years now and I am delighted to share that we are now a pilot school for leadership. This is following the work that Mrs Fuller née Brydon and I have been doing with PiXL at conferences and in school.

This is also following on from the successes that we have seen in our school. As you know our pupils do very well in the below areas and we use resources and our knowledge gained from PiXL;

- Year 1 phonics is above National
- KS1 Reading and maths is above National
- KS2 Reading, maths, Grammar punctuation and spelling and combined are in line/above national for Expected and Greater depth
- Our progress is also very positive for Reading and Maths, and positive for writing, from when pupils join us to when they leave in Year 6

PiXL is a partnership of thousands of schools, and their aims are to improve life chances and outcomes and influence school leaders. They do this through providing four main services: Leadership Networking, Development, Events and Strategies. They also provide a specialist associate who is dedicated to helping you navigate all that PiXL has to offer so that you can have the most impact.

I am sure you will join me in being proud of William Harding and congratulate our staff on this exciting project.

Best wishes,
Miss Cotchin

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
