Dear families,

### Re: Last week of the term

The children have had a great week, enjoying lots of festive activities. All of their lessons this week have had a Christmas or winter theme. The children have also watched a virtual pantomime and had a Christmas party. They have watched a Christmas film and enjoyed Christmas music.

### Birthday Parties

On Friday the children who have had a birthday this term, had their birthday party. Many children have been unable to celebrate their birthday with friends and family, and missing out on parties due to COVID restrictions this year. With this in mind, on the last afternoon of each full term, the school will provide fun games, music and activities within each class bubble for those children who have had birthdays that term. This will be a lovely enrichment to our curriculum so pupils can celebrate their birthday with their class friends.

Children must still come to school in their normal school uniform and wear their Christmas jumpers if they wish to wear them. There will be a party vibe to the celebrations and a little cake will be given to each birthday child. Matron will oversee any allergies with the class teacher.

### Star of the Week / Star of the Half Term

Although we are not coming together for key stage assemblies, we continue to celebrate the stars of the week each Friday in class. This week we also celebrated the hard work and effort of our stars of the half term.

All of the staff at William Harding would like to wish you all a wonderful Christmas break and we look forward to seeing you all in the new year.

Yours faithfully,

Mrs Skinner
