Dear parents and carers,

Re: Careers Day

We know that children are very interested in the work parents do. We would like our pupils to develop an understanding of the world of work and the types of jobs that they may wish to have when they are adults. Many children do not have a wide experience of types of jobs so we want to widen their knowledge and inspire them about a future career.

In order to do this, we will be holding a careers day each term. Each day will have a specific focus. We want to show the children that they can have any career they want.

It would be nice if we could have some speakers to come in to school, to join us, and share information about their jobs. We would love to have some speakers who do a non-stereotypical job e.g. a female firefighter or a male nurse etc

If you would be interested in helping us with our careers day please contact me via the school office.

Kind regards,

Mrs Skinner
