Dear parents and carers,

Re: Inclusion Quality Mark - William Harding Inclusion

As leaders it is important that we visit other schools to see what is happening and ensure our own practices at William Harding are strong.

Last week Mrs Skinner and myself visited a primary school who are also a Centre of Excellence for inclusion. It was interesting to see the wide range of strategies that they use to support their pupils. We were also very pleased to see that these strategies are already being used at William Harding such as;

- Small quiet spaces
- Nurture room
- Own school counsellor
- FLO team with specialisms
- Use of therapies such as our pets
- Our positive behaviour approach to support all pupils
- Adapted assessment weeks
- Adapted use of resources such as 'calm me bags' and laptops
- ARP room and SEN team staffing
- Accessible environments
- Trips and activities for all

One thing we will be actioning is the change of name to our current Behaviour plans, we will be renaming these as Wellbeing plans to support the whole child. If your child has an individual behaviour plan, more information will follow.

We look forward to continuing our journey as a Centre of Excellence.

Thank you for your ongoing support.

Best wishes,

Miss Cotchin
