Dear parents and carers,

Re: PAWHS Fundraising

Thank you to everyone who supported us with our PAWHS events last term. We are so grateful to have such supportive families at our school. Because of your support we have been able to raise £1,094. One purchase we will be making is a card machine for use at future events. We know that not everyone has change with them so hopefully this will help make things more convenient.

The other, main, purchase will be playground equipment. KS1 already have some equipment to use at playtimes, we will be topping up what they have already. We will also be purchasing a wide range of specific playtime equipment for KS2 pupils to use like balls, beanbags, skipping ropes and hoops.

Thank you again for supporting us to be able to provide these for the children. We are currently planning events for the spring and summer terms and some of these will be alongside events that are happening already such as come and read. Please look out for our PAWHS letters for more details.

Kind regards,

Mrs Skinner
