Dear families,

Re: Internet Safety Newsletter

I am delighted to inform you that we will be sending out an internet safety newsletter each month. The newsletter will provide you with up to date advice and guidance on how to keep your family safe online.

This month we are also sending you a 'parent controls guide,' to help you set up parental controls on a variety of platforms.

I hope you find this useful. All newsletters will be saved within the parents section of the website for you to refer back to.

If you have any further questions regarding staying safe online, please feel free to contact me via the office.

Yours faithfully,

Mrs Bone

Lead Family Liaison Officer

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
