Dear parents and carers,

Re: Woodrow Residential Trip

This week we attended Woodrow High House for our Year 4 residential trip.

The children participated in a range of activities including Jacob's Ladder, Archery, Team Exercise, Bushcraft, Shelter Build, Challenge Course and Nightline. All of these exciting activities required bravery and resilience which the children showed in abundance. Many skills were learnt during these activities and new information was learnt. Our evening activities were a great end to each day. We had fun at the campfire ran by Woodrow staff members whilst we sang songs and told hilarious jokes. On the second evening, the children swapped their muddy clothes for their glamorous party wear when we had a disco in the cellar. We understand that some children do not like loud noises and therefore created a quite space elsewhere for children to colour or watch a movie. During this evening, the children visited the Tuck Shop to buy souvenirs to remember their time at Woodrow.

Our school value of Perseverance was evidential as all the children completed their residential trip despite any difficulties they faced. Feedback received from many children on the trip indicated that they were having a fantastic time and the bright smiles on their faces and the sound of laughter reflected this.

William Harding staff, who attended the trip, thoroughly enjoyed taking the children to Woodrow and believe that they were well behaved. We are very proud of what all the children accomplished on the trip and hope that the children have created wonderful lasting memories.

Kind regards,

Miss Valji

Year 4 Leader

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
