Dear parents and carers,

Re: Year 6 National Childhood Measurement Programme 2023/2024

Each year in England, school children in Year 6 routinely have their height and weight checked at school as part of the National Childhood Measurement Programme.

The School Nursing Team will be visiting our school on **Tuesday 5th December 2023** to measure your Year 6 child. Your child will be opted in **automatically** unless you choose to opt-out of this programme by registering with the SchoolScreener Parent Portal. Please opt-out by **Saturday 2nd December** otherwise your child will be included in the screenings and will be measured.

Please see the separate documents for further details.

Kind regards,

The Year 6 Team

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
