26 November 2021

Dear parents and families,

**Re: Year 2 DT – Smoothie Making – 9<sup>th</sup> December**

The Year 2 Classes have all been working hard this half term, learning about food hygiene and designing healthy smoothies to meet a design criteria. On Thursday 9<sup>th</sup> December the children will have the opportunity to make and taste their smoothie at school.

This is a vital part of their learning as they will be assessing their own work and will need to explain how their smoothie meets the success criteria.

The Year 2 Team will provide the strawberries, bananas, and a choice of milk, apple juice or orange juice to add to their creations. If your child has an allergy, and your child does not want to use a school provided alternative, then you will need to send in their own ingredients.

Whilst we are aware of allergies in each class, if your child suffers from any allergies, please speak to your classroom teacher prior to the 9<sup>th</sup> December.

Yours faithfully,

The Year 2 Team

**Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.**
