Dear parents and carers,

**Re: Ensuring our year 6 pupils are secondary ready**

The year 6 team are working hard to ensure the year 6 pupils are getting everything they need to ensure they are as ready as possible to attend their secondary school and have the greatest success. This is always a priority as the year 6 curriculum is a stimulating one, however with two previous school years disrupted by COVID the challenge this year is even greater.

We wish to ensure the pupils are ready for this transition and have as much information as possible for it to be a successful one. There are only 9 full weeks and 3 short weeks (Insets or Bank Holidays) until the KS2 SAT week. As you may be aware the information from how pupils do in the Reading and Maths tests will shape the beginning of their secondary school experience.

The year 6 teachers are working hard to ensure pupils are as well prepared as possible and in addition to this to support the pupils we also have Mr Stallwood, Mrs Valiji (experienced teacher) and myself working with pupils to ensure as many gaps as possible are filled.

We therefore request your support alongside us, as we ready your child for secondary school. Shortly your child may receive some additional work to complete at home – this has been selected carefully by your child's class teacher to have the greatest impact.

Thank you for your support.

Miss Cotchin and Mr Stallwood  
Head teacher and AHT for Year 5 & 6
