Dear parents and carers,

**Re: Year 1 Careers Day Speaker Request**

On **Thursday 19<sup>th</sup> October in the afternoon**, Year 1 will be having a **Careers day with the theme of ‘people who keep us safe’**. They will be learning about different types of jobs where people help us, understanding the skills and qualities they would need as well as talking about their own dreams and aspiration for the future. This term our focus is jobs where people help us and as a career and this where we need your help!

We would like to invite parents to come in and share their jobs, where they keep others safe, with our enthusiastic Year 1 children. This would be an amazing experience for them to have the opportunities to ask questions and understand the different opportunities that are available to them when they grow up.

If you are interested in speaking about your, could you please email the office with your contact details and job role and we will contact you.

Kind regards,

Year 1 team

**Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.**
