24 January 2023

Dear parents and carers,

Re: Natural Art Resources

As part of our art curriculum this half term the children have been learning about landscapes and symmetry within landscapes and the natural world. During the lesson for the week commencing Monday 30th January 2023 the children will be making sculptures using different natural resources.

The Year 3 team are kindly asking if parents and children could venture out to the park, the garden, or any other outdoor space and collect some natural resources such as small sticks, leaves, pebbles, stones, seeds etc to use in their natural sculptures.

Thank you for your continued support.

Kind regards,

Miss Garner, Miss Williams, Mr Dinham & Mrs Batory

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
