Re: Design Technology – Healthy Eating

Dear Parents/ Guardians,

As part of our Design Technology topic this half term, we are focusing on healthy eating, especially focusing on a wide and varied diet.

In order to make learning memorable and engaging, Year 3 will be creating their own fruit salad using fruit that they have carefully and safely prepared. The children will also be evaluating and tasting their fruit salad in school. If your child has an allergy to any of the fruits listed below please email the school office at office@williamharding.school

The fruits we will be using are:

1. Apples;
2. Oranges;
3. Strawberries;
4. Bananas;
5. Raspberries.

Please let us know if your child has an allergy by **Monday 28th March 2022**, in time for this Design Technology lesson.

Yours faithfully,

Miss Leaver, Miss Laver, Miss Meek, Miss Ng and Mrs Batory

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
