Dear parents and carers,

Re: Year 4 Multiplication check

As you may know, Year 4 children across the country will be undertaking a multiplication times tables check next week. The purpose of this is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics. The results will help the class teachers to identify pupils who have not yet mastered their times tables, so that additional support can be provided as they move into year 5.

The check will take place next week and the children will have a chance to practise beforehand. The check will be carried out in the computer room as it is an online check.

If you have any queries please ask your child's class teacher in the first instance.

Kind regards

Mrs McCartney
Year 4 Leader

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
