Dear parents and carers,

Re: Year 4 Careers Day Speaker Request

On Wednesday 24th May, in the afternoon, Year 4 will be having a Careers day. They will be learning about different types of jobs and careers, understanding the skills and qualities they would need as well as talking about their own dreams and aspiration for the future. The focus is on running your own business, and this where we need your help!

We would like to invite yourself, family member or friend who has owns their own business, to share their experiences and qualities with the Year 4 children. This would be an amazing experience for them to have the opportunities to ask questions and understand the different opportunities that are available to them when they grow up.

If you are or you know somebody that is interested in speaking about their job to the children, could you please email the office with your contact details and job role and a member of the year 4 team will contact you.

Kind regards,

Mrs Fulford-Foy
Assistant Headteacher Year 3 & 4

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.
