Dear families,

Re: Year 4 Lunchtime Times Tables Rockstars Club

William Harding School are excited to offer a Times Tables Rockstars Club for Year 4. Miss Blagden will run the club during Tuesday lunchtimes. The children will meet in the computer room and go on to eat their lunch at normal time. The club is optional, however there does need to be some commitment from the children attending to make the club viable.

Due to the number of computers, there are only 30 spaces available for the club each week and they will be allocated on a first come first serve basis when the children arrive at the computer room.

During the club, the children will have the opportunity to access the Times Tables Rockstars platform and play the various games to practise and secure their times tables. Miss Blagden will be on hand to support children with developing their knowledge of the multiplication facts they find more challenging.

Yours faithfully,

Miss Blagden
