Head Teacher: Miss T Cotchin BA(Hons) PGCE NPQH

13 March 2023

Dear parents and carers,

**Re: Year 5 Bread Making – DT**

As part of our DT unit, we have been learning about different types of food production, including the process of bread making. We will be giving all Year 5 children the opportunity to make some small bread rolls during the final week of this half term (week beginning 27<sup>th</sup> March).

The ingredients will be combined and mixed by an adult but the children will get the experience of kneading and shaping their own rolls. An adult will be responsible for transferring the rolls in and out of the oven. Once cooled, the bread rolls will be returned to the owner. The children will not be eating the rolls in school and will be bringing them home for you to enjoy together.

**All ingredients will be provided by school** and are listed below.

- Strong White Bread Flour
- Fast Action Yeast
- Table Salt
- Olive Oil

Please inform your child's class teacher or of any allergies or intolerances they have with any of the above ingredients in writing **by Friday 24<sup>th</sup> March**. This will enable us to make any necessary adjustments to ensure all children can take part in this activity.

Kind regards,

Miss Wainwright, Mr McMahon, Mrs Grannum and Mr Morris

**Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.**
