Dear parents and carers,

Re: Year 6 Secondary Transfer Test reminder

The practice test will take place on **Tuesday 12th September 2023** whilst the **Secondary Transfer Test** will take place on **Thursday 14th September 2023**.

Some parents may wish to withdraw their child from the secondary transfer test (11+) process. If you do not want your child to attend a grammar school, or if you feel the pace and independence required in a grammar school would not suit your child, please notify me in writing. Every year we have a number of children who are withdrawn from the testing process. We must be notified of your wish to withdraw your child by **3pm Monday 11th September** at the latest.

We are unable to pre-teach any of the content of the tests due to them being a grammar school administered test and we have not carried out any previous teaching of the content before the summer break.

The tests will be starting at 9am on both days so please ensure that your child is prompt on arrival as once they have been registered, they will be taken to the correct room for them to be tested in. If your child is unwell, do not send them in as we can test them on a different day when they are feeling better. You must let us know that they are unwell and not coming in to school so that we can arrange this.

Yours faithfully,

Mr Stallwood

KS2 Assistant Headteacher (Year 5 and 6)
