Dear parents and carers,

Re: Year 6 SATs and Residential

Myself, Mr Stallwood and the year 6 team have been so impressed with the year 6 pupils this week during their 'SATs' week. They have shown our school motto of 'Work hard and Aim high' in their mature attitudes to their assessments this week. I am pleased that 'access arrangements' have been in place for all pupils which have included; additional time, readers, smaller environments and motivational support.

The majority of our Year 6 pupils will be going on the residential on Monday and I am sure you will join me in wishing those attending all the best in their adventures. For those that are staying with us, they have some exciting activities planned such as Drama, baking, investigations and Focused Learning afternoons on topics.

I look forward to hearing about the year 6's residential experience as well as those who have remained in school with us.

Best wishes,

Miss Cotchin
