Dear parents and carers,

Re: Year 6 SATs week and preparations

On **Tuesday 9th May**, SATs week will begin and our Year 6 pupils will sit a range of tests starting over the **Wednesday, Thursday and Friday**. The children have put in lots of hard work over the past year and we are now in our final push before the start of SATs. These tests are a statutory part of the curriculum and they will assess the children’s understanding in Maths, SPAG (Spelling, Punctuation and Grammar) and Reading in readiness for their Secondary school.

Attendance

Attendance across the week is incredibly important, and your child needs to be in school at the normal time, to ensure they are in school ready for the start of the tests. **If your child misses the Friday test they may not get a maths score if they cannot resit the following week.** If your child is unwell then please do not send your child in, and we will catch up the test at a future date. **We want to ensure that all of our pupils have the best opportunity to succeed in these important tests as they have worked so hard!**

Any support you can provide for your child in the run up to their assessments is greatly appreciated by all of the Year 6 team. Please see the letter about the SAT tasks to do at home.

Sleep and rest

It is vitally important that pupils have a good night’s sleep and arrive at school on time each day. Make sure that your child has the chance to have a good breakfast before they arrive at school to so that they are ready and prepared for the papers.

Equipment

Our School Values are: Inclusion, Perseverance, Honesty, Respect, Responsibility and Collaboration.

Whilst we do provide all the necessary equipment for the tests, please ensure that your child has got a clear water bottle, a clear pencil case if using their own equipment and if they wear glasses, please ensure that they bring them to school each day.

If you have any questions regarding any element of the SATs, please ask a member of the Year 6 team.
Thank you for your continued support.

Kind Regards,

Mr Stallwood

Year 5 and 6 Assistant Headteacher
