Dear parents and families,

### Re: Year 6 girls' toilets improvement

After feedback and discussions with parents and pupils, I am delighted to let you know that we have made some changes to the toilets in order to further support the girls in year 6.

We have made a change so we are going to have a separate toilet for the girls and improvements will be made over the February half term to ensure that it is comfortable, easily accessible and secure. We have made this decision to ensure that our girls feel relaxed in school and that they have got available facilities for any need.

The toilet is currently located in the Year 6 block, between Cardiff and Warwick class. The children have been told about the change that is going to be happening, and they may have already shared this news with you.

Thank you for your continued support.

Yours faithfully,

Mr Stallwood

Year 5 and 6 Assistant Headteacher
